REMARKS

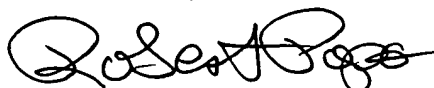

This Preliminary Amendment amends the specification for minor clerical errors and clarification. No new matter is introduced by these amendments.

Original claims 1,5,10,13-18,20, and 23 have been amended for minor clerical errors and clarification. Original claim 16 has been amended so that this claim is no longer multiply dependent in order to reduce the official fees. The Applicants may elect to amend claim 16 to make the claim again multiply dependent or to add additional claims to this application to provide coverage similar to, broader than, or narrower than the present claims at any time during the pendency of the above identified U.S. application. These amendments in no way limit or narrow the scopes of those claims.

The drawings have been amended to comport with the specification amendments being made herein.

Amendment of the subject application is respectfully requested.

Respectfully submitted,
